REPLIES TO PRE BID QUERIES

Date : 03.06.2025

With reference to RFP titled "Request for Proposal (RFP) For Painting of 150 Mtr Self-supporting FM Tower located at Hyderabad."

RFP Ref No. : BECIL/Tower Painting/CTI Hyderabad/2025 Date: 19/05/2025 (CPP Portal Tender ID - 2025_BECIL_253847_1)

This is to notify that following Clarification have been incorporated in the RFP in response of the queries received from prospective bidders on pre-bid meeting held on 27.05.2025.

Details are as under:

Query No.	Querist No. 1	
1.	Query	Site Visit Coordination Kindly confirm the contact person at the Hyderabad site for scheduling the mandatory site visit and obtaining the signed certificate as per Annexure-VIII.
	Reply to Query	Bidder must notify BECIL and co-ordinate at least 7 days in advance to facilitate visit at site. Shri Avnish Kumar Gupta, Deputy General Manager Phone No: 0120-4177850; Email : avnish@becil.com
2	Query	Payment Milestones While the RFP mentions 100% payment post-completion, is there a possibility of milestone-based billing upon completion of major phases such as primer application?
	Reply to Query	No Change
3	Query	Tower Condition Is there any prior assessment report or corrosion status available for the existing structure to help in cost estimation?
	Reply to Query	Bidder has to self access during site visit.
4	Query	Kindly confirm whether bidders should follow a fixed BOQ format for the Technical Bid submission, or if a custom layout is acceptable (as long as it matches the scope).

	Reply to Query	BOQ is fixed. No Custom layout is acceptable.
5	Query	Insurance Requirements Could you confirm the minimum insurance coverage expected per worker under high-risk group insurance?
	Reply to Query	As per standard norms of government of India to work on high mast Towers.
6	Query	Section VI – Scope of Work (Page 35) Kindly confirm if any anti-corrosive surface treatment is expected before primer application.
	Reply to Query	Not Required
7	Query	Section VI – BOQ (Page 36) Please clarify the approximate surface area (in sq. meters) of the tower to calculate paint quantity accurately.
	Reply to Query	Bidder has to self access during site visit.
8	Query	Section VI – Technical Specification (Page 33) Can any other equivalent brand of primer/paint be used with prior approval, aside from Asian/Berger/Nerolac?
	Reply to Query	No Change
9	Query	Price Bid Format (Page 37) Should we break down each painting coat into line items, or consolidate into total per-coat pricing?
	Reply to Query	No Change

All the terms and conditions of RFP shall remain unchanged.
